Perform Special Operations)	

By Application No. 1009, Pickett's Transportation and Van Service, Inc. (Pickett's), seeks a certificate of public convenience and necessity as described in Order No. 1735, served August 10, 1977. Order No. 1735, directed applicant to submit six copies of a statement of projected revenues and revenue deductions on or before Wednesday, September 14, 1977, assessed applicant the sum of \$200 pursuant to Title II, Article XII of the Compact, and directed that it be delivered to the office of the Commission on or before Wednesday, September 14, 1977. Order No. 1735, also scheduled a public hearing in this matter to commence at 9:30 a.m., Tuesday, September 20, 1977. Because Pickett's failed to comply with said directives, said public hearing was cancelled by Order No. 1751, served September 20, 1977.

By motion (styled application) filed October 6, 1977, Pickett's seeks a new hearing date as well as a new date for publication of the notice of the aforesaid hearing. Pickett's alleges that it did not timely receive Order No. 1735.

Inasmuch as little purpose would be served by dismissing this proceeding and requiring Pickett's to file a new application, applicant's motion shall be granted. Applicant is admonished, however, that it is expected strictly to comply with Commission directives in order to avoid dismissal of this application.

THEREFORE, IT IS ORDERED:

1. That the above-described motion of Pickett's Transportation and Van Service, Inc., be, and it is hereby, granted.

Spencer, Esquire, 666-11th Street, N. W., Suite 525, Washington, D. C. 20001.

W., Washington, D. C. 20006, on or before 12 noon, Wednesday, November 30, 1977.
